

WHO IT'S FOR

Built for any business that runs on appointments

- **Clinics and hospitals**
Patient visits and follow-ups
- **Banks and SACCOs**
Branch and relationship manager meetings
- **Salons and spas**
Bookings by stylist or therapist
- **Schools**
Parent meetings and admissions interviews
- **Professional and public services**
Consultations, service desks and site visits

If a missed appointment costs you time or money, SmartScheduler helps keep every slot filled.

HOW IT WORKS

Every missed appointment is a slot someone else could have used

SmartScheduler closes the gap between booking and showing up, in three simple steps.

01 Schedule

Create appointments in seconds, by staff member, service or branch.

02 Remind

Reminders go out automatically before each appointment, on the channel your client prefers.

03 Show up

Clients arrive on time, your team stays on schedule and fewer slots go to waste.

REACH EVERY CLIENT

One appointment. Three ways to remind.

SMS

Reaches any phone, with no internet or app needed.

Email

Full details: date, time, location and what to bring.

WhatsApp

Meets clients in the app they already check every day.

 **Reminder** · 1 day before

Hi Amina, this is a reminder of your appointment at [BUSINESS NAME] tomorrow at 10:00 AM. See you then!

FEATURES

Everything you need, nothing you don't

- ✓ **Appointment calendar** with day and week views
- ✓ **Automatic reminders** sent on a schedule you choose
- ✓ **SMS, email and WhatsApp** from one platform
- ✓ **Message templates** with client name, time and place filled in
- ✓ **Staff, service and branch** scheduling
- ✓ **Reminder history** for every appointment
